

MAGNUM SHOOTING ACADEMY

HANDGUN QUALIFICATION SHOOT - 123520

For the grading of Instructors, the following qualification shoot and scoring system shall apply:

80% - Pass on Basic level instructor.

81% - 90% Intermediate level instructor

91% - 100% Advanced level instructor

The qualification shoot can be shot more than once and the higher score over 80% will be taken for the Portfolio of Evidence. The verifier may ask for the Instructor to re-shoot to ensure consistency.

Exercise 1

Distance	Position	No of rounds	Time	Targets
5 meters	Standing	5	8 seconds	1 x A4
You will draw and fire 5 rounds in a time of eight seconds at one target. (Left target).				

Exercise 2

Distance	Position	No of rounds	Time	Targets
5 meters	Kneeling	5	8 seconds	1 x A4
You draw, go to a kneeling position and fire 5 rounds in a time of eight seconds. (Left target).				

Exercise 3

Distance	Position	No of rounds	Time	Targets
10 meters	Standing	10	10 seconds	1 x A4
You will draw and fire 10 rounds in a time of ten seconds. (Right target).				

Exercise 4

Distance	Position	No of rounds	Time	Targets
10 meters	Standing	10	10 seconds	2 x A4
You will draw and fire one shot on each target, until all ten rounds have been used in a time of ten seconds. (Alternating between targets).				

Exercise 5

Distance	Position	No of rounds	Time	Targets
10 meters	Standing	10	20 seconds	1 x A4
You will start with 5 live rounds and one dummy round in each magazine. Your dummy round may not be the first or the last round in the magazine. You will draw and fire ten rounds in a time of 20 seconds, carrying out the immediate action drills and magazine changes when necessary. (Left target)				

Exercise 6

Distance	Position	No of rounds	Time	Targets
15 meters	Standing	10	15 seconds	1 x A4
You will draw and fire 10 rounds in 15 seconds at one target from 15 meters. (No dummy rounds, using only one magazine.) (Right target).				

SCORING AND MARKING OF TARGETS: Each shot on the target counts as two points. (You can only miss a total of ten shots). 2x A4 Targets shall be used spaced no less than 15cm apart. Any hit on the A4 shall count so long as the paper is cut by 50% of the bullet size. A lead mark on the edge of the paper, which does not cut the paper, does not count.
