

## QUALIFICATION SHOOT – MANUALLY OPERATED RIFLE OR CARBINE

80% - Basic level instructor (this is also the minimum requirement for a range officer)

81% - 90% Intermediate level instructor

91% - 100% Advanced level instructor

### Exercise 1

Distance	Position	No of rounds	Time	Targets
10 meters	Standing	3	10 seconds	1 x A4
The rifle is presented from the low ready position. 3 Rounds are fired in a time of 10 seconds.				

### Exercise 2

Distance	Position	No of rounds	Time	Targets
15 meters	Standing	3	10 seconds	1 x A4
The rifle is presented from the low ready position. 3 Rounds are fired in a time of 10 seconds				

### Exercise 3

Distance	Position	No of rounds	Time	Targets
15 meters	Standing	4	10 seconds	1 x A4
The rifle is presented from the low ready position and 4 rounds will be fired. All 4 rounds must be fired in a time of 10 seconds.				

The same rules for scoring and marking shall apply as per Handgun and Self-loading Rifle. A center fire cartridge Rifle must be used.

A .22lr or any other Rimfire cartridge cannot be used to qualify here, as it's assumed that a center fire cartridge will be used in the business purposes environment, e.g. Field Guiding, Game ranging, Anti-Poaching or Professional Hunting.
